

Minier Westside Park

The Village of Minier is continuing the development of the 40 acre Westside Park located south of IL Route 122. The park will have access by a West Peoria Street extension.

Phase one includes a 65 space parking lot, .95 mile paved walking trail, picnic shelter, playground, restrooms, concession stand, horseshoe courts, two soccer fields and a nine-hole disc golf course.

In addition to contracted services, The Village of Minier Public Works employees have been working diligently to ensure Minier West Side Park becomes a highlighted feature of our community. The projects anticipated date of completion is expected to be in the year 2020.

The Minier West Side Park is being made possible by the generous bequests of Elmer and Margret Imig, Roy Imig and a grant from the Department of Natural Resources.
